**Honorary Chairs**
- Joe C. Mao, University of Victoria, Canada
- Richard P. Brent, Australian National University, Australia

**General Chairs**
- Beniamino Di Martino, Second University of Naples, Italy
- Hai-xiang Lin, Delft University of Technology, Netherlands
- Ruayk Biraw, NASA Ames Research Center, USA

**General Vice-Chairs**
- Parimala Thulasiraman, University of Manitoba, Canada
- Tony Li Xu, St Francis Xavier University, Canada
- Eric Aubanel, University of New Brunswick, Canada

**Program Chairs**
- Kuan-Ching Li, Providence University, Taiwan
- Ruppa K. Thulasiriam, University of Manitoba, Canada
- Osei Marques, Lawrence Berkeley National Lab, USA

**Program Vice-Chairs**
- Intelligent and Bio-inspired Computing: Parimala Thulasiraman, University of Manitoba, Canada
- Distributed and Parallel Computing: Hai Jiang, Arkansas State University, USA
- Database and Data Mining: Carson Leung, University of Manitoba, Canada
- Cloud, Grid and P2P Computing: Jinjin Chen, Swinburne University of Technology, Australia
- Web Services and Internet Computing: Seunglin Lim, Utah State University, USA
- Mobile Computing and Wireless Communications: Amiya Nayak, University of Ottawa, Canada
- CSE Applications: Nectarios Kosini, Natl. Technical Univ. of Athens, Greece
- Scientific and Engineering Computing: Yining Li, National Chiao Tung University, Taiwan
- Embedded and Ubiquitous Computing: Xue Lu, McGill University, Canada
- Advanced Networking and Applications: Geoyong Min, University of Bradford, UK
- Security, Privacy and Trust: Haikin Kimin, East Stroudsburg Univ. of Pennsylvania, USA
- Dependable, Reliable and Autonomic Computing: Xudong Hong, Seoul National University, Korea
- CSE Education: Kinshuk, Athabasca University, Canada

**Workshop Chairs**
- Zizhong (Jeffrey) Chen, Colorado School of Mines, USA
- J. Daniel Garcia, University Carlos II of Madrid, Spain
- Lei Pan, JPL, California Institute of Technology, USA

**Steering Chairs**
- Laurence T. Yang, St Francis Xavier University, Canada

**Steering Committee**
- Kuan-Ching Li, Providence University, Taiwan
- Rodrigo F. de Mello, ICMC, University of São Paulo, Brazil

**Panel Chairs**
- Selim Akl, Queen's University, Canada
- Ruth Shaw, University of New Brunswick, Canada

**Local Chairs**
- Hao Wang, St Francis Xavier University, Canada
- Alice Ying Huising, St Francis Xavier University, Canada
- Alan Gao-Guan Huising, St Francis Xavier University, Canada

**Conference Secretaries**
- Vivian Zhihui Xu, St Francis Xavier University, Canada

**Electronic Submission**

Prepare your paper with free styles not more than 15 pages in PDF file. Submit your paper(s) at the CSE-09 submission site: http://cse.stfx.ca/~cse09/sub/

**ELECTRONIC SUBMISSION**

Each submission should be regarded as an undertaking that, if the paper is accepted, at least one of the authors must attend the conference to present the work in order for the paper to be included in the IEEE Digital Library.

**PAPER PUBLICATIONS**

Accepted papers will be published in proceedings of the CSE-09 conference by IEEE Computer Society. Selected bested papers will be recommended for publication in special issues of International Journal of High Performance Computing and Networking (IHPNC), and International Journal of Computational Science and Engineering (JCSE) and several SCI-indexed journals.
